I Willie Edward Joiner do hereby have a complaint against the Panola County Courthouse in Batesville Ms. The complaint is that the Panola County Courthouse staff interrupt/interrupted my quitclaim deed improperly because of this misunderstanding has caused pain and suffering upon my family and me. As well they have caused some major corporation to follow suit.

Panola County Courthouse caused my electric to be turned off, caused an imitate reaction of oneself not to have home insurance to protect my home and myself. The real property of interest in which I fairly gain through a tax sale which clearly reads "EXHIBIT - A - ATTACHED HERETO". Exhibit A is indeed Tract 1 which rest in the First Judicial District, and Tract/Exhibit "B" resting in the Second Judicial District in Panola County. It also states that Exhibit B holds 5.4 ACC PTS 1/2 of SE 1/4 of SE 1/4. Now my understanding is that ACC means Access not Acres - Acres being cut down means AC. The 5.4 is written as being in permutation meaning "away to a great extent one of several possible variations in which a set or number of things can be ordered or arranged". The order does have its importance in being a permutation lock. So $\frac{1}{2} \times \frac{1}{4} \times \frac{1}{4} = 32$ divided by 640 township = 20 acres = 5.4.

There-fore because Panola County Courthouse gave wrong information to several companies/organizations for this purpose I am suing Panola County Courthouse for the amount in being \$100,000,000 for violating my family and my Civil Rights in not allowing us access to our property, instead allowing the previous owners access.

X Willie E. Joiner
